JNO. ROBSON,

PROVINCIAL SECRETARY.

PROVINCIAL SECRETARY'S OFFICE,
27th December, 1890.

HIS HONOUR the Lieutenant-Governor has directed that the following scale for the remuneration of Official Administrators, and the following rules and regulations concerning the handing over to the Official Administrators by the Registrars of the Supreme or County Courts, or other persons to whom letters of administration have been granted, the moneys, effects, and credits of the estates administered by them at the time of the coming into force of "An

Act relating to the Administration of the Estates of Persons Dying Intestate," be made and adopted.

By Command.

JNO. ROBSON,
Provincial Secretary.

WHEREAS it is provided by the "Official Administrators' Act" that an Official Administrator shall be entitled to receive by way of remuneration a commission, according to a scale to be fixed by the Lieutenant-Governor in Council, on all sums which shall be collected or received by him as such Administrator, in addition to any other allowance for expenses actually incurred to which any Administrator may be by law entitled;

And whereas by the same Act it is provided that it shall be lawful for the Lieutenant Governor in Council from time to time to make rules and regulations for (*inter alia*) the handing over to the Official Administrators, by the Registrars of the Supreme or County Courts, or other person to whom letters of administration have been granted, the moneys, goods, books, effects and credits of all the estates administered, or being administered by them at the time of the coming into force of the said Act; and whereas the said Act came into force on the 16th day of June, 1890;

Now, therefore, His Honour the Lieutenant-Governor in Council, under the authority of the said statute and of all others in that behalf enabling, hath been pleased to and doth hereby fix the following scale of remuneration and make the following rules and regulations:—

1. Every Official Administrator shall be entitled to receive and retain by way of remuneration a commission of five per cent on all sums which shall be collected or received by him as such Administrator, in addition to any other allowance for expenses actually incurred to which such Administrator may by law be entitled, but no Official Administrator shall be entitled to any commission on sums of money handed over to him by outgoing Administrators under these rules.

2. On or before the 2nd day of February, 1891, every Registrar of the Supreme or County Court to whom letters of administration have been granted by any Court having jurisdiction in British Columbia shall hand over to the Official Administrator of the County in which such Registrar has his office, all moneys, books, papers, effects and credits of or pertaining to all or any estates which have been or were being administered by such Registrar at the time of the coming into force of the "Official Administrators' Act."

3. Every other person (not being a Registrar of the Supreme or County Courts or an Official Administrator) to whom letters of administration have been granted shall hand over, on or before the 2nd day of February, 1891, to the Official Administrator of the County in which such person shall reside, all moneys, books, papers, effects and credits of all estates the administration of which has been committed to him, and which have been or were being administered by him at the time of the coming into force of the said "Official Administrators' Act." Provided, however, nothing in this rule shall be taken to apply to a person to whom administration has been granted and who is a relative of the deceased.

4. In these rules the term "outgoing Administrator" shall include and apply to every Registrar of the Supreme or County Courts to whom letters of administration were granted prior to the coming into force of the said "Official Administrators' Act," and also to every other person not being a relative, or an Official Administrator under the said Act, to whom letters of administration have been granted, and who shall not obtain an order from a Judge of the Supreme Court excepting him from the operation of these rules and regulations.

5. On and after the dates fixed by these rules and regulations for the handing over by the several outgoing Administrators to the Official Administrators, the outgoing Administrators shall cease to act as Administrators, and all the goods, chattels, moneys and estates whatsoever vested in such outgoing Administrator shall thereupon cease to be vested in or belong to such outgoing Administrator, and shall vest in the Official Administrator designated by these rules as the person to whom the outgoing Administrator should hand over the administration of the estates which have been or were being administered by him at the time of the coming into force of the said Act; and in every such case all such goods, chattels, moneys and estates may be sued for and recovered as the proper goods, chattels, moneys and estates of the Official Administrator, and all rights of action, duties and

powers whatsoever of the outgoing Administrator shall devolve upon, vest in and be exercised by the Official Administrator as effectually as if such Official Administrator had been the original Administrator.

6. Provided, that nothing in rule 5 contained shall in any way release or discharge any outgoing Administrator or his sureties from liability in respect of acts done or suffered during the time of his administration, or render any Official Administrator or his sureties liable in respect of such acts.

7. Any outgoing Administrator after handing over any estate as is hereinbefore provided shall or may, at any and at all times thereafter, have the right and be at liberty to have access to, search and examine into all or any accounts, books, papers and other matters or things which were formerly in the possession of him, the outgoing Administrator, and which are in the possession of the Official Administrator. ja3

WHEREAS it is expedient to make provision for the election of a Reeve and Councillors for the Municipality of Chilliwack for the year 1891, and to appoint a Returning Officer;

Therefore the Reeve and Council of the Municipality of Chilliwack enact as follows:—

1. The nomination of candidates for the respective offices of Reeve and Councillors shall take place at the Council Chambers, Centreville, in said Municipality, proceedings to be in accordance with the "Municipalities Act, 1889," and amending Acts.

2. That the Council Chamber, Centreville, in said Municipality, be the polling place at which the votes of the electors shall be taken for the different Wards of the Municipality. Proceedings at the polls shall be in accordance with the "Municipalities Act, 1889," and amending Acts.

3. Separate ballot papers shall be provided for the election of Reeve and of Councillors in their respective Wards.

4. On each ballot paper shall be written the names of the several candidates, their occupation and residence, and in the case of Councillors the Wards for which such candidates are nominated.

5. The polling place shall be furnished with a compartment in which the voters can mark their ballots screened from observation.

6. The Returning Officer shall immediately before the opening of the polls shew the ballot box to such persons as are present so that they may see that it is empty; he shall then lock the box and place his seal upon it in such a manner as to prevent its being opened without breaking the seal, and shall then place the box in his view for the receipt of ballot papers.

7. Before handing the ballot paper or papers to the voter the Returning Officer shall write his initials upon the back of the ballot paper, and shall check off the number of such voter on the list of voters.

8. The voter shall then proceed into a separate compartment provided for the purpose, and shall secretly mark his ballot paper or papers with an X on the right-hand side opposite the name of any candidate for whom he desires to vote, and shall then fold the ballot paper or papers in such a manner as to conceal the names of the candidates and the X, but so as to expose the initials of the Returning Officer, and shall then place the same in the ballot box in the presence of the Returning Officer.

9. Immediately after the close of the poll the Returning Officer shall, at the polling place and in the presence of such of the candidates, or of their agents, as may be present, open the ballot box and proceed to count the votes. He shall examine the ballot paper and shall reject as void any ballot paper not having his initials on its back, or on which more votes are given than the elector is entitled to give, or on which there is any mark or writing by which the voter can be identified.

10. Immediately after declaring the result of the poll the Returning Officer shall seal up all ballot papers used at the election, and shall keep them in his possession for twelve months, unless called upon legally to deliver up the same, after which he shall destroy them.

11. Samuel Arthur Cawley is hereby appointed Returning Officer for the year 1891.
